1. I am come that you might have life and have it more abundantly. And the constricting philosophies that have held My people back; that have held My creation back, that have reigned and reigned and reigned in terror, inflicted horror, demised, diminished and delivered My people into dungeons to dragons; slicing and carving them up for entertainment; yea, for mammon, for profit, will die.

2. You will see it; you will behold it. Yea, My change agent is here; My change agents and the agents of My change, My spirit, My heart, My heart beating for those who now look Me in the face and with open eyes behold Me and look not away at My beauty. They no longer turn their face away from Me nor bow in false humility or fear; they cower not, they stand, they stand. They stand and they look Me in the eye and they tell Me they love Me and whatever that means and whatever it costs they will not change.

3. The people rise, the people rise great and strong (1) and come mighty in force, mighty in deed, mighty to behold their wonderful deeds that I now do through them, that I have already done (2) that they now receive. Yea, to change My creation from one governed, throttled back, limited, directed by diminishment and mammon-ized philosophies of demeaning-hood; yea, I wrath at this day, My wrath seeks vengeance on those destroyers. Yea, an upside down; behold Me, I come and turn it all. I love you.

4. Demarcation day today, April 1, 2005: mark it on your calendars. Yea, the world changes and enters a new age of demarcation. Yea, a demarcation now where all demarcation of boundaries and limits on My body are removed. **I come and I call and I leaderize the leaders now that will leadership My body into the leaders that they are, that I made, that I crafted, that I created; yea, that I set free in the fullness of Me and gave them everything that I am**. And, yea, the maturity that has not been there to receive Me, yea, gives way to the maturity of, yea, those who will see Me and look into My eyes and behold Me as a ready bride, filtering not any elements of My being or My words or My love or My prophecies, nor My intimacies and delicacies; but yea, receiving Me all. Coming, standing as the light of lights, yea, Me bursting through everything.

5. See what I am saying; see what I have said. Feel My power, feel My resentment, see My wrath you will, you who have bought into the ways of not Me. I come and I release My enemies not, I released, I release the anti-Christ not. I come in full force and the wrath of My fury and the fury of My wrath will permeate in shock waves, will permeate and invert; and, yea, controvert and discombobulate the settled complacently, complacency of men and women who controllers are.

6. Watch Me, watch Me destroy the destroyers and those thought holy; so many who know Me not, know only My name and not even My names, having never received

My name from Me; having never intimate with Me been, having no idea of the intimacy that I held out to them day after day after day, inviting them. Inviting them to be with Me in My chambers, My royalty, Me serving them tea and coffee, angel cakes and, yea, My own flesh and blood. Yea, exchanging My heart; being My covenant new and replete in them, with them; so that they do the very same for their sphere, for their world, for their little world, for their little, tiny-thought kingdom; so that I can, yea, raise them, arise them into all that I have for them.

7. My leadership changes. Bless Me, bless Me for My word this day, bless Me for My wrath. I am the great avenger and those who think I have all love and no love and avenge only, or love without avengement and avenge without love, all are wrong. For watch Me, for I love and I love deeply and I come and I catapult those who will into Me see, into My eyes look and fear only not receiving Me in My fullness. I come and I come to every label; I come to those who hate labels, I come to those who despise labels and who labels love; I come to all and I come to them now. And, **yea, this is the time, this is the moment, this is the season; the line I draw in the sand today, April 1, 2005, to speak to My leaders, to release My people, and let My people go! Let them go!!!** Let them arise into the leadership of Me and My hand and My words so that they know Me. They know Me, they know Me, intimately they know Me, intimate they are with Me, intimate with My words where they come and nourished are by Me, by Me, by Me alone, and then through each other. Yea, as My system of living organisms, yea, interact and live as My body as I designed, My original intent. Yea, one God, one Father; yea, one Son, Me; all sons and daughters, yea, all equal in Me, yea, coming, going, giving, receiving. Yea, manifestly manifesting in manifold manners and tangible results: My creativity; yea, hanging stars in space; yea, visiting realms and galaxies you know nothing of.

8. You so holy, you so unholy, you who in results only are interested in and yea, profiteering among and raping My people, raping their purses, yea in My name, you die this day without change. Yea, the curse is pronounced, the curse I reiterate. I avenge the wrath of My enemies with fire in My nostrils and light in My hand.

9. No competition.

Fear Me this day.

Fear My words.

Fear what I have said.

Fear the holy and those not afraid to die in life to embrace My life and Me be, making of themselves no reputation (3).

10. Yea, humble, meek, laying aside every weight (4) that so easily besets them, caring only for intimacy with Me, that My love then flows in and through their veins, their words, their very being, their molecular structure to change and change be.

11. I love you and I give you space; I give you time to repent. Yea, even Jezebel (5) I did and you I do. You Jezebel's, you holy ones, you holier than thou ones, you in false humility; some of you so kind and nice with reputations so sterling and you know Me

not. The secret sins which you possess and hold on to, I curse. I redeem, My blood redeems. **Yea, I come before you seven times a day and many, many more**.

12. You who clean are, paid the price have, **result in Me you will, receiving Me, shutting off not My learning; yea, My New Covenant revealed replete, yea, always was. Yea, My intent, My original intent, yea, Me being your love, your lover**; yea, your God; My bride.

13. All things come to an end, all things not; yea, change!!! and the nimble will resolve, the nimble will result, the nimble will receive Me and the hard hearts that shut the door to My New Covenant and the words of Christ, the words of My Father; yea, the words of you now that you speak, receiving Me and speaking My words and creating in fullness and releasing My all around you; yea, grasp, grasp, grasp and let not go.

14. See, hear, feel, become the word which you already are.

See, feel hear; see, hear feel, feel see hear and become Me, My Rose of Sharon, yea, that I hold out My rose to you this day, My word, My love. Yea, who hear these words, who see these words, who read these words; yea, behold I stand before you, I knock. Yea, see Me, the man of sorrows acquainted with grief; yea, in My regalia, in My array, bow before you, bow before you; yea, taking off My tunic, as it were, and baring My all, offering you all that I am, giving you My blood, My body to wash you, to cleanse you, washing your feet, cleansing your heart; yea, bringing a ring and sandals and servants, and yea, mentors, friends. Yea, helpers that put your hand into Mine, to the fullness of Me receive, and maturity walk in. I offer My all to you this day; the line of this day, the line of demarcation, April 1, 2005.

15. See Me, see Me, and eat what I have placed before you. Yea, I am the God of love. I am God. I am love. I am you. Forsake not your heritage, your lineage, your call. In My book you are, in My heart, see Me, see you in My heart. See My name on your breastplate, see My name on your forehead, see what I will do and give you if you let Me be Me. If you open to Me as a little child (6), I will give you The Kingdom, The Kingdom, T-H-E Kingdom, THE KINGDOM! The Kingdom of Heaven! Now! Here! Here where you are at this time! Yea, this season, this moment.

16. Think not the future is far off. The future is today, now, and I call on you to see the future. I call you to see the now, the same.

17. I love you and I give you Me. I withhold you not; yea, from seeing, being with Me and I hold you. I hold you. I see you. I see you in My arms. Fulfill My picture I pray you.

18. I give you Me this day. I love you. Go in peace, trembling, working out your own salvation (7), looking to man not, looking not to man-made philosophies and philosophers. I will give you The Kingdom. I have given you the keys to The Kingdom (8). Yea, surrender to My love, I beg you this day. Good day. I will speak more, I will speak so much more for I/you have entered a new season. And yea, the boldness that I have proclaimed is upon you and coming upon you and emerging and enlightening and enlifening and alivening, yea, My all, through you this day.

19. See all I have said, review these words, share them openly, frequently; yea, with no banner; yea, with every banner, Beholding Me. I love you. Thank you for speaking My word this day, speaking, kneeling, drawing a visible line in the sand. In My robe see you, Me. Thank you. Amen
